PROJECT TITLE	Car Resale Value Prediction

The screenshot displays the IBM Cloud dashboard interface. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and links to 'Catalog', 'Manage', and 'Harish J's Account'. The main content area is titled 'Dashboard' and features a 'For you' section with five cards: 'Build' (Explore IBM Cloud with this selection of easy starter tutorials and services), 'Build a web app with Watson Speech to Text' (Deploy a conversational interface compatible with any application, device, or channel), 'Get Started with Watson Studio' (Get started with using AI and Cloud Object Storage in 15 minutes), 'Build a Virtual Private Cloud (VPC)' (Upgrade to a paid account to create your own protected space in the IBM Cloud), and 'Learn about IAM Roles' (Learn about roles in IBM Cloud and how they work to control access). Below this, there are four sections: 'News' (IBM Named a Leader in Gartner Magic Quadrant for Full Life Cycle API Management, IBM to Introduce a New Incident Management SaaS Offering, IBM Cloud Satellite New Pricing, IBM Cloud Data Shield Deprecation), 'Recent support cases', 'Planned maintenance', and 'IBM Cloud status'. The right sidebar shows the user's profile 'Harish J' with links to 'Profile', 'Log in to CLI and API', 'Privacy', 'Change theme', and 'Log out'. The bottom of the image shows a Windows taskbar with the date '18-11-2022' and time '19:45'.
